

Apple/oats bars

Ingredients

- 300 g raisins = $\frac{3}{4}$ lb
- 500 g butter or 1 package of butter (4 sticks)
- 250 g oats = $\frac{1}{2}$ lb
- 500 g self rising flour = 1 lb
- 500 g dark brown sugar (I buy that in the UniMart on Lincoln Way) = 1 lb
- 6-8 big Jonagold apples

Preparations

Melt the butter. Mix the oats, flour and brown sugar. Add the melted butter and knead it till it's all mixed till a big "ball".

Use a big oven sheet and divide the "ball" over the sheet. Spread the raisins over the dough.

Peel the apples and rasp or shred them. Add some cinnamon to the apples. Divide them over the dough equally. Scatter some oats over the apple rasp.

Bake in oven 375-400 °F for 50-60 minutes.
