

## **Birthday cake**

### Ingredients:

- 1 package yellow cake, I use mostly the packages of Betty Crocker with water, butter and eggs.
- 2 packages of cream cheese each 8 oz
- 1 stick of butter
- 1 teaspoon vanilla extract
- 1 cup of confectioner sugar (powdered sugar)

### Preparations:

- Prepare the cake batter according to the package.
- Divide the batter into two round baking forms of 9 inch
- Baking time in the oven according to the package
- Cool on a rack
- In the meantime prepare the frosting. Soften the cream cheese in the microwave and mix with the butter, vanilla extract and sugar.
- Add the frosting on one of the cakes, put the two cakes on top of each other and spread the frosting over the top and the edges of the cake.
- You can decorate the cake with fruit.
- Cool in the refrigerator
