

Simple Cheese cake

1 readymade crust (the biggest one) Graham crackers

2 boxes of cream cheese (1 box is 227 gram or 8 Oz)

4 oz sour cream = $\frac{1}{2}$ cup

2 eggs

1 teaspoon vanilla extract

$\frac{1}{2}$ cup sugar or $\frac{1}{4}$ cup (if you like it less sweet)

$\frac{1}{4}$ cup milk

Mix them all and pour into the crust. Bake for one hour at 350 F., then chill in the refrigerator. If you want you can decorate the cheese cake with fruit and whipped cream.
