```
D                          Dsus D
Come, now is the time to worship
A                          Em   Bm   G
Come, now is the time to give your heart
D                          Dsus D
Come, just as you are to worship
A                        Em   Bm   D
Come, just as you are before your God
D
Come

G                              D
One day every tongue will confess You are God
G                          D
One day every knee will bow
G                                Bm
Still, the greatest treasure remains for those
    G                  A
Who gladly choose You now
